**Any heavily laden vehicle or trailer will be sent to the weighbridge. Weighbridge charges will apply.**

### > Resident waste

Mixed waste generated in a residence in Manly, Mosman, Pittwater or Warringah Council areas and transported by the resident.

### > Non-resident waste

**(accepted but not subsidised by your council)**

Mixed waste generated from outside Manly, Mosman, Pittwater or Warringah Council areas.

### > Contractor's or commercial waste

Waste from any region transported by a contractor or business.

### > Household recyclables

Cardboard, paper, plastic bottles, glass bottles, aluminium cans, car batteries, engine oil – max 20lt

### > Resident free tipping

Free disposal of **Under 300kg** of household recyclables and **under 300kg** of vegetation is only available to residents of **Manly, Mosman, Pittwater or Warringah Council**. This must be transported by the resident – and proof of residency shown. Free resident recyclable and vegetation loads may **only be delivered in a car, station wagon, standard box trailer or ute.**

### > Vegetation limit of 300kg

Kimbriki staff will assess 300kg of vegetation as equivalent to **a standard 1.8m x 1.2m x 0.3m box trailer** loosely packed with vegetation (not logs) to a depth of one metre.

**Car or station wagon loads** are not to exceed 60kg.

### > Standard box trailer

Limited to a single axle, 1.8m x 1.2m x 0.3m box trailer with load under 300kg. Any overloaded or heavily laden standard trailer or ute will be charged as **Oversize** or referred to the weighbridge.

### > An oversize trailer

A double axle or modified single axle box trailer with extended sides registered for loads less than one tonne, or a heavily laden standard box trailer or ute:

- with a mixed waste load 300-500kg;
- or a vegetation load 300-400kg
